

Pumpkin Dip

This is a good way to use apples cut into wedges or you can use on breads (apple, date or nut). For a festive fall activity, cut the top off a pumpkin from your garden and scoop out the insides. Fill with dip and use ginger snaps for dipping.

2-8 oz. pkgs. cream cheese (softened)

1 lb. powdered sugar

½ t. cinnamon

¼ t. nutmeg

1 large can pumpkin

¼ t. pumpkin pie spice

Mix all ingredients well. Serve with fresh fruits.
